zebra

How to use this

Print, then cut along the lines to make 26 letter cards.

Show a card, say the letter AND its sound: “A... /a/... apple”.

Play games: find the letter in your child’s name, match cards to objects, post them in a box.

Little and often beats long sessions — 5 minutes a day is plenty.

Pairs with our free **Ready to Read program** at [inclusivetherapycentre.com/home-programs](https://www.inclusivetherapycentre.com/home-programs)
