Name: _____ Date: _____

apple

ball

dog

cat

car

milk

banana

shoe

fish

star

bus

teddy

biscuit

water

bird

flower

key

balloon

How to use this

Print, then cut along the lines to make cards.

Show one, name it clearly and simply: “ball”. Wait, and let your child try.

Accept any attempt — a sound, a point — then say the word again warmly.

Play games: hide a card, post cards in a box, match to real objects.
